

From the Author of

“TEACHING FROM THE BALANCE POINT”

An exquisite tribute to
Shin'ichi Suzuki –
a commentary that illuminates the
heart of his philosophy.

Edward Kreitman has taken the life-altering experience of open-heart surgery and subsequent learnings – medical, psychological and spiritual, and integrated them into his life as a wholistic teacher. *Teaching with an Open Heart* will inform and inspire others who teach the violin. The truths he shares, however, go far beyond the instrument, mirroring the teachings of Dr. Suzuki, that we are “educating for life through music.”

and *Never Too Old to “Twinkle”*
